SUMMARY

I am a dedicated Junior frontend developer based in Accra, Ghana with a strong foundation in creating responsive and dynamic user interfaces. I am passionate about enhancing user experience and engagement through intuitive design and innovative solutions. I thrive in collaborative environments and continually strive to learn and implement new technologies to improve my work.

EXPERIENCE

TechOne IT Services and Digital Solutions

Frontend Development Trainee / Jan 2023 - Aug 2023

- Assisted in the development of responsive web applications and collaborated with senior developers to learn best practices.
- Demonstrated a strong ability to quickly learn and adapt to new tools and technologies, leading to a promotion to Junior Frontend Developer.

TechOne IT Services and Digital Solutions

Junior Frontend Developer / Aug 2023 - present

- Participate in code reviews, ensuring high-quality and maintainable code.
- Collaborate with cross-functional teams to develop and maintain user-friendly web applications.

TechOne IT Services and Digital Solutions

WordPress Developer / Aug 2023 - present

Collaborate with designers and content creators to implement visually appealing and user-friendly web designs.
